

# ADHD won't let your focus stay in one place.

If you're living with attention-deficit/hyperactivity disorder (ADHD), learn more about the CAPSTONE research study of an investigational drug for adults with ADHD.

#### To pre-qualify for this study, you must:

- Be 18 to 55 years of age
- Be diagnosed or have been diagnosed with ADHD

All study-related visits, tests, and study drugs will be provided at no cost. In addition, reimbursement for study-related travel may be provided.

For more information about the CAPSTONE study, please contact:
